

“Practice makes perfect” is an all-time favorite English idiom because it’s true!

Engage&Excel

A six-month accelerated “awareness thinking” course.

You’ve taken your latest course with PL&L, and you head back out all excited into the “real world.” The everyday place where family members, friends and co-workers inadvertently convince you: life is a struggle; there isn’t enough money to go around; if you changed, maybe things would get better; on and on. All your good intentions to stay “aware” and make conscious decisions versus default reactions go out the window. And, it could be months before your next course.

Where’s PL&L when you need them?

Now there’s a course format for the “time between” courses and learning vacations!

Course includes:

- > Your own **Special Edition 2GB Apple iPod nano** etched with the PL&L Xtraordinary Living logo

Pre-loaded with:

- > 15+ hours of PL&L content
- .. Over 15 Xtraordinary Living podcast episodes
- .. 5 - 1 hr. tele-courses
- .. Sampling of Lindon’s audio articles

Additional Features:

- > Sleek anodized aluminum case
- > 3.5” tall, 1.6” wide and 1/4” thick
- > Earphones
- > USB 2.0 Cable
- > Dock adapter
- > Quick Start guide

PL&L realizes some clients have an aversion to new technology.

It’s for this reason, we are all the more determined to help you easily transition into the world of tech.

Learning technology now will make it possible for you to truly live an extraordinary life in the future!

Engage&Excel

Take six timely topics presented on your own Apple iPod nano
(Course fee includes new iPod nano with 15+ hours of PL&L audio content)

+

Six live interactive phone call sessions with trainer(s) and other course participants to cover the topic of the month over six months.

+

Recorded monthly call sessions are available for review.

Get energized and focused with six live interactive phone call sessions with PL&L trainer(s).

Why is this course so important?

> You accelerate your ability to get the most out of the courses you take.

> You practice and incorporate what you learn and experience with PL&L.

> With your personal iPod of content you take PL&L with you whenever and wherever — turn your “dead time” into “learn time!”
